Notice of EAW Availability:  
Dayton Mixed Use Development, City of Dayton,  
Hennepin County, Minnesota**

**NOTICE IS HEREBY GIVEN:**

DDL Holdings, LLC is proposing to construct the proposed Dayton Mixed Use Development Project which includes the development of approximately 28.81 acres within the City of Dayton, MN. The Project proposes construction of five commercial buildings comprising a total of 130,000 square feet and one 200,000 square foot industrial building on three vacant lots. The Project would include access road improvements, parking areas, and stormwater improvements.

The proposed industrial center requires a mandatory Environmental Assessment Worksheet (EAW) under Minnesota Rules 4410.4300, Subpart 14.A and 14.B. The EAW will be available for public comment starting Tuesday, **October 17, 2023**. The City will accept written comments (via mail or email) on the EAW during the public review and comment period, which concludes Thursday, **November 16, 2023** at 4:30 p.m.

Written comments should be submitted to:
