The City of Dayton, Minnesota (the "City") has adopted the following Dayton Activity Center (the "DAC") Rental Rules and Regulations concerning the rental of the Dayton DAC to a member of the public or a group (the "User") for an "Event". These rules and regulations will be incorporated by reference to any contract between the City and the User.

1. **Reserving the DAC**- To reserve the DAC, the User must contact the DAC Coordinator to check availability and discuss intended use. Upon approval of DAC Coordinator, User must submit a signed DAC Rental Agreement (the "Agreement") to the Dayton City Hall at least thirty (30) days prior to the Event unless other arrangements are made with the City.
2. **Deposit**- A deposit of **\$300.00**\*\* **MUST accompany the Agreement**. The deposit will be returned if the Event is cancelled for any reason by the City. The deposit will be returned within fifteen (15) business days after the event if there is no damage to the DAC or its contents. The City may withhold a portion or all of the deposit if the User does not adequately clean the DAC following the Event. The deposit may also be withheld if the Key is not returned after the event. Key should be left in lock box at the end of event after cleaning and locking up. The amount of the deposit does not limit the liability of the User for any damage or loss caused by the User or the Users guests and invitees.
3. **Cancellation/Refund Policy**- The renter may cancel a reservation by giving written notice to the DAC Coordinator. The deposit will be fully refunded for events cancelled more than 60 days in advance of the event. One-half of the deposit will be refunded for events cancelled 30 to 60 days prior to the event. No deposit will be refunded if the event is cancelled less than 30 days prior to the event. If the City cancels the event, the User shall be entitled to a full refund of any rental fees paid.
4. **Rental Fee**- The City charges the following rental fees for use of the DAC.  
***Please see attached fees table.***
5. **Priority of Use**- The City shall have priority for all governmental activities. The priority for all other uses shall be determined on a first come, first served basis.
6. **On-Going or Regular Rentals**- If you rent the DAC for recurring events through the
7. year or have an ongoing rental, all fees are due thirty (30) days in advance of rentals. If a cancellation is received in time, a refund would be issued.
8. **Maximum Capacity**- The maximum capacity, according to Fire Code, of the DAC is 173 persons. Under no circumstances shall the number of persons at an Event exceed the maximum capacity.
9. **Alterations**- The User shall not make any alterations to the DAC without the written consent of the City. Alterations include any items that shall be hung, glued, taped or in any other way affixed to the walls, ceiling, floor, windows, or light fixtures of the DAC. **NO confetti, glitter,**

rice, seed, or beads are allowed. Candles used for decorations must have flames contained.

10. **Building Access**- There is a lockbox on the west door containing the key to access the building. The DAC will send you the code prior to your event. The User shall ensure that everyone is out of the building before leaving and is responsible for locking the DAC following the Event. Key must be returned to the lockbox by the end of the Event.
11. **Access by City**- The User shall permit the City's officials, employees, or agents to have access and to enter the DAC at any time during the Event.
12. **Designated Area**- Only the area designated in the DAC Rental Agreement may be used. Any offices or other private areas are off limits.
13. **Clean-up**- The User is responsible for leaving the DAC in as good or better condition than found. If the building is not left in acceptable condition, the deposit will be forfeited. All tables and chairs must be returned to their original position, all floors and countertops should be free of debris, and personal items should be removed. The User must empty all garbage into the garbage bins behind the DAC.
14. **Entertainment**- All entertainment must be preapproved by the City. Music must end by 11:00pm. The volume of the music should not extend beyond the DAC property at any time.
15. **Security and Conduct**- All Events shall be operated and supervised to the satisfaction of the City. The City may require, as a condition of approval of the application, that one or more police officers are present at the Event at an additional cost. Events where attendance is expected to exceed 100 or more people and that are serving alcohol will be required to hire security through the City at a rate of \$125 per hour with a minimum of 3 hours. The security must be present from the start of the alcohol serving through the end of the event. All City Ordinances, State Statutes, Federal Laws and establish policies of the DAC must be complied with during the authorized use of the DAC. ***All fees shall be forfeited when an Event is terminated for this reason.***

At their discretion, DAC staff, his/her authorized representative or a security officer may:
