Application Fees and Refunds

Planning application fees cover the following costs: meeting room time, copies, and minutes. The escrow deposit will be utilized for the cost of staff review time, consultants, meetings with applicants, neighborhood meetings, preparation of staff reports, and preparation of legal documents, review and editing of Planning Commission minutes, staff reports, and public hearing and legal notices.

Application fees are nonrefundable. Any remaining funds in escrow accounts will be refunded after the application is deemed closed and all requirements of the approval or denial of the application are accepted. Should there be a negative balance in the escrow account, the balance will bill to the applicant.

Placement of any application on City agendas is at the discretion of the City, including the time of consideration. An application will not be placed on any agenda until City staff has received the appropriate materials and financial matters are in order.

The undersigned acknowledges that before an application is considered complete, all required information must be provided by the applicant, and all required fees (including all up-front escrow deposits) must be paid to the City. If additional fees are required to cover costs incurred by the City, the Community Development Director, Associate Planner or City Administrator has the right to require additional payment from one or more of the undersigned, who shall be jointly liable for such fees. Such expenses may include (but are not limited to) personnel costs, fees for consultants, legal assistance, and other professionals, recording fees, along with other overhead costs. The amount of escrow is determined by the City of Dayton fee schedule in effect at the time of the application submittal.

You will receive a statement of account at a minimum of every quarter. **If the escrow deposit is depleted before the application is concluded, you will be required to make an additional deposit. The additional amount will be determined by the city.** The applicant acknowledges and agrees that failure to remain current may result in denial of the application.

There will be no credit given in cases where requests are denied or determined to be premature. We make every attempt to keep costs down. It is important that completed documents, plans, and designs be furnished by you and your consultants in a timely fashion in order to accomplish this. Incomplete submittals result in time consuming report writing and increased review time.

The applicant agrees the City may withhold the issuance of a building permit, withhold inspections, place a stop work order and/or withhold advancement of development process until all financial matters are resolved. If need be, the City reserves the right to pass outstanding balances from the application to Hennepin County to be assessed with next year's property taxes for the property involved as indicated on page one of this application and the Property Owner agrees to such assessment.

The signature of the Property Owner on this form hereby grant City staff and consultants and City officials access onto the subject property for the purpose of conducting site visits as part of the project review and consent to the review of such records of the Owner, Applicant or otherwise relating to the development as are necessary.

I acknowledge that I have read all of the information discussed in the City of Dayton development application and fully understand that I am responsible for all costs incurred by the City related to the processing of this application and agree with all items above.
