National Night Out: Lottery for 15 Parties

POLICE • COMMUNITY PARTNERSHIPS

This year’s National Night Out will be held on Tuesday, August 5th. We will be doing things in new format. We will hold a lottery for the 15 parties we will guarantee to have a Dayton Police Officer visit. Those chosen parties will also be provided with a gift bag with items for the kids that attend your party. We have a limited number of items so we ask you to try to be as accurate as possible with your guess on how many kids will attend. If a Dayton Police Officer is available, they will respond to some of the remaining registered parties in the City of Dayton. Only those parties chosen in the lottery will be guaranteed an officer and gift bags.

Registration will open March 1st. Those who wish to be included in the lottery drawing must register no later than 5:00 pm on April 30th. The drawing will be held on May 1st and only those parties who are registered by the deadline will be included. When you register, please give a count of how many kids will be attending your party. The host(s) of the parties chosen in the lottery will be notified and will pick up the gift bags between Tuesday July 29th, 2025, and Thursday July 31st, 2025, at the Dayton Police Department. We also ask that you call the office at 763-427-2017 when you are on your way to pick up items so we can have everything ready to go.

If you wish to host a party, please complete the registration form on the City website. If you have any questions, contact Officer Dane McAlpine at dmcalpine@daytonpolice.org or call 763-427-2017.

Dayton Police Department

Dayton Embedded Social Worker

The Dayton Police Department would like to introduce our Embedded Social Worker Jess Thurston. She is in the office one day a week. During those times she sometimes accompanies officers on daytime mental health calls, offering support, resources and information to people in crisis. She also does follow-up visits with people who’ve interacted with police when she wasn’t on the clock, making sure they get the help they need.

In addition to her duties assisting and following up with calls, Jess would like to have free drop-in sessions available the third Wednesday of every month! Jess is available to assist with connecting community members to area resources. All are welcome. No appointment needed. Assistance may be provided for several concerns, including: Mental Health, Substance Use, Homelessness or Housing Insecurity, Food Insecurity, Financial Insecurity, Job Insecurity, Child or Parenting, Older Adults/Aging.

Please visit the Dayton Police Department located at 13700 Zanzibar Lane N between 3 p.m. – 5 p.m.

Dayton Fire Department

Fire Department Receives Grant

The Dayton Fire Department had a terrific few months! In January we received a grant from Blaine Festival which allowed us to get two new Zoll AED unit’s which will allow our Command units to have AED’s on them to respond to our community members

in need. This grant also allowed us to acquire training units which allows us to train not only our crew, but also those who participate in our community engagement events! We also received a donation of 2 LifePak AED’s from the U of M for our Rescue vehicles which means all of our first and second out vehicles are equipped for cardiac events!

In addition to our AED’s, we had a blast taking our poster contest winners to school in the engine! They had donuts and juice with us prior to their engine ride. They saw the tools we have on Engine 21 and even heard a dispatch page out to other departments!

Environment

Pet Waste

There are over 300,000 dogs in Hennepin County. Pet waste contains bacteria that contributes to excessive algae growth, E. coli, and other water quality issues that are harmful to people, pets, fish, and other wildlife.

When it rains, feces left on your lawn can be washed into the nearest storm drain and carried to the nearby streams, lakes or rivers. Picking up pet waste, even in your own yard, keeps our local waters safe and clean for recreation, enjoyment and enhances the health of the environment.

City ordinances require pet owners to pick up dog waste. It is unlawful to leave your dog’s feces on any public property including parks, streets and sidewalks, as well as private property that is not owned by the pet owner.

Administration

Domain Update

All City email have changed from example@cityofdaytonmn.com to example@daytonmn.gov. The contacts on the current City website have been updated to reflect this new change.

The City is redesigning the current website and the new design will be available early Summer. The relaunch of the website will include a new domain www.daytonmn.gov. Want to see your photos in future Dayton Communications such as the Dayton Communicator, City socials and the newly redesigned website? The City is in search of photos taken in the Dayton Community! Please email kmontgomery@daytonmn.gov with your photos or any questions!

Planning & Zoning

Development: Residential

Brayburn Trails East

Approved Phases 1 and 2 (109 lots) of a residential development east of Brayburn Trails, south of 117th Avenue North. The overall development will have a total of 132 single-family lots.

Riverview Villas

Redevelopment of two residential lots into six townhome units, southwest corner of Levee Street and Dayton Avenue in the Historic Village. The project was approved by the City Council in 2024 and is currently under construction.

Riverwalk

Located south of Dayton River Road and north of North Diamond Lake Road, the Riverwalk development recently received approvals for the 3rd and 4th phases. Riverwalk has added a total of 99 single-family lots within the last year, with one last phase of development anticipated to occur in the future.

14430 Dayton River Rd
Dayton, MN 55327

Spring Hydrant Flushing

Spring Hydrant Flushing will begin the second week in April. The annual maintenance operation is used to flush out mineral and sediment build up. It also allows us to verify the operation of hydrants. We appreciate your partnership and want to share hydrant flushing tips:

- 1.) Avoid washing clothes during flushing
- 2.) Low pressure, discoloration, or cloudiness are possible. Run cold water until clear.
- 3.) If water pressure remains low, check faucet screens or water filters for trapped particles.
- 4.) Temporary discoloration affects appearance, it does not cause any health or safety risk.

Parks & Recreation

Easter Egg Hunt: April 19, 2025 - Register Now!

CITY OF Dayton
Live the difference.

PLAYPLACE

Providing a safe place to come and play!

Play Place provides play-based activities with educational content to foster cognitive, social, and emotional development in young children.

Through interactive games, stories, and creative projects, children learn essential skills while having fun!

Dayton Activity Center
18461 Dayton St.
Dayton, MN 55327

JOIN OUR PROGRAM ON THE SECOND AND FOURTH TUESDAYS OF THE MONTH
9:00 a.m. - 11:00 a.m.

Come to Dayton's Activity Center on the second and fourth Tuesdays of the month to join in our new activity called, Play Place! Play Place provides a safe environment to play with your kids, grandkids, nieces, and nephews! The environment will help foster their imagination and help them take a step back from technology. Play Place offers the following kids activities:

Blocks, puzzles, arts and crafts, children's books and more! Watch them grow cognitively, socially, and emotionally!

Please note, parental supervision is required at all times.

Planning & Zoning

Community Development: Commercial

The Cubes Industrial Building

The 1 million square foot building located off of County Road 81, Dayton Parkway and 117th Avenue North has a new tenant for half of the building. States Manufacturing out of Champlin, MN is expanding its operations to Dayton in 2025, and anticipates more than 300 jobs to come to the City with its presence.

Kwik Trip

Approved in 2024, Kwik Trip has recently begun the construction of a convenience store on the corner of Holly Lane North and Dayton Parkway. The anticipated completion date for the development is the end of September 2025.

Opus Industrial Development

Approved two-lot industrial development, northeast corner of Dayton Parkway and Territorial Road. The project includes an existing cell phone tower and a new 130,000 sq. ft. industrial building. TurbinePROs of Rogers, MN will be moving into 75,000 sq. ft. of the building upon completion, leaving 55,000 sq. ft. of space still available.

Dayton Creek Addition

Located on the south side of Dayton Parkway and I-94, the City Council approved a pre-liminary plat of mixed-use development, consisting of 11 buildable outlots that will be developed in the future.

Dayton Parkway Neighborhood

A multi-family and commercial/retail development, southwest corner of I-94 and Dayton Parkway. Phase 1 consists of a 180-unit apartment building. The project has gone through Concept Plan review and an Environmental Assessment Worksheet, Zoning Map Amendment, Planned Unit Development, Preliminary Plat and Site Plan review was approved by the City Council in November. Final Plat is currently pending review and decision.
