

# Domestic Abuse

## 309.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent, and reduce domestic abuse through vigorous enforcement and to address domestic abuse as a serious crime against society. The policy specifically addresses the commitment of this department to take enforcement action when appropriate, to provide assistance to victims and to guide officers in the investigation of domestic abuse.

### 309.1.1 DEFINITIONS

**Domestic Abuse** has the meaning given it in MN STAT 518B.01, subd. 2(a), which states:

"Domestic abuse" means the following, if committed against a family or household member by a family or household member:

- (1) physical harm, bodily injury, or assault;
- (2) the infliction of fear of imminent physical harm, bodily injury, or assault; or
- (3) terroristic threats, within the meaning of section [609.713, subdivision 1](#); criminal sexual conduct, within the meaning of section [609.342](#), [609.343](#), [609.344](#), [609.345](#), or [609.3451](#); or interference with an emergency call within the meaning of section [609.78, subdivision 2](#).

Domestic Abuse Program means a public or private intervention project or advocacy program which provides support and assistance to the victims of domestic abuse.

**Child** means a person under the age of 18. **Family or Household Member**

means spouses, former spouses, parents and children, persons related by blood, and persons who are presently residing together or who have resided together in the past, persons who have a child in common regardless of whether they have been married or have lived together at any time, and persons involved in a significant romantic or sexual relationship. It also includes a man and a woman if the woman is pregnant and the man is alleged to be the father, regardless of whether they have been married or have lived together at any time.

**Domestic Call** means a request for assistance to a law enforcement agency regarding domestic abuse or any other crime against a family or household member.

**Qualified domestic violence-related offense (QDVRO)** refers to prior convictions for violation of an OFP (Order for Protection) or HRO (Harassment Restraining Order), assault in the first through fifth degree, domestic assault, criminal sexual conduct in the first through fourth degree, malicious punishment, terroristic threats or harassment/stalking. If a person arrested for a domestic crime has a prior QDVRO, the new offense may be chargeable as a higher-level crime. (See Domestic Abuse Enhancement chart appended hereto.) The QDVRO includes violations of similar laws in other states or under federal or tribal law

**Order for Protection** is a court order that protects a victim from domestic abuse. Any family or household member may ask the court for an order for protection. A protection order may

include: stop domestic abuse, no direct or indirect contact with petitioner, no stalking, evicting the respondent, housing for the petitioner when the respondent is the sole owner or lessee, temporary custody of minor children, financial support, and counseling.

**Restraining Order** is a temporary court order to preserve current conditions as they are until a hearing is held at which both parties are present. A restraining order may be issued in a divorce matter to prevent taking a child out of the country or to prohibit one of the parties from selling marital property. Also, a person who is a victim of harassment may seek a restraining order.

**No Contact Order or Harassment/Stalking Restraining Order** is an order issued when a petitioner requests a court order preventing another person from having contact with them or when a criminal charge has been filed with the court for the protection of someone. These orders generally prohibit all contact of any kind (including, but not limited to, phone calls, letters, e-mail and contact through a third party) and may limit the respondent's ability to come within a certain distance of someone's home, work or school. A no contact order can be issued by the court even if the people involved want to have contact and object to the order. This type of order can be issued no matter what the relationship between the individuals involved. Violating these orders is a crime.

**Harassing** means to engage in intentional conduct which the actor knows or has reason to know would cause the victim under the circumstances to feel frightened, threatened, oppressed, persecuted or intimidated AND causes this reaction on the part of the victim.

**Stalking** is a crime of harassment. Generally a person commits the offense of stalking if he or she makes a credible threat to another person and, in connection with the threat, repeatedly follows that person or repeatedly communicates or attempts to communicate with that person or a member of that person's immediate family, whether or not a conversation occurs.

### **309.2 POLICY**

The Dayton Police Department's response to incidents of domestic abuse and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic abuse is criminal behavior. It is also the policy of this department to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

### **309.3 OFFICER SAFETY**

The investigation of domestic abuse cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

### **309.4 RESPONDING TO THE CALLS**

### **310.4 RESPONDING TO THE CALLS**

**Driving to the Scene:** The peace officers should respond directly and without unreasonable delay to the scene.

### *Domestic Abuse*

---

**Initial Contact with Occupants:** Upon arriving at the scene of a domestic call, the responding officers should identify themselves as peace officers; explain their presence, and request entry into the home. The officers should ask to see the person who is the alleged victim. If the person who called the law enforcement agency is someone other than the subject of the call, the officer should not reveal the caller's name. The officer should ensure all of the occupants are safe.

#### **Entry**

- **Refused Entry** – If refused entry, the officers should be persistent about seeing and speaking alone with the subject of the call. If access to the subject is refused the officers should request the dispatcher to contact the caller.
- **Forced Entry** – If access is still refused and the officers have reason to believe that someone is in imminent danger the officers are permitted to force entry.
- **Search Warrant Entry** – If the officers are refused entry and have no legal grounds for forced entry and have reasonable grounds to believe a crime has been committed, the officers should contact the appropriate authority to obtain a search warrant.

**First Aid:** After securing the scene, the responding peace officers shall provide the necessary first aid.

### **309.5 INVESTIGATIONS**

The following guidelines should be followed by officers when investigating domestic abuse cases:

- (a) Calls of reported, threatened, imminent, or ongoing domestic abuse and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, officers should obtain and document statements from the victim, the suspect, and any witnesses, including children, in or around the household or location of occurrence.
- (c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.
- (d) When practicable and legally permitted, video or audio record all significant statements and observations.
- (e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Investigation Unit in the event that the injuries later become visible.
- (f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.

- (g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement and make an arrest or seek an arrest warrant if appropriate.
- (h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence.
- (i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.
- (j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:
  - 1. Whether the suspect lives on the premises with the victim.
  - 2. Claims by the suspect that the victim provoked or perpetuated the violence.
  - 3. The potential financial or child custody consequences of arrest.
  - 4. The physical or emotional state of either party.
  - 5. Use of drugs or alcohol by either party.
  - 6. Denial that the abuse occurred where evidence indicates otherwise.
  - 7. A request by the victim not to arrest the suspect.
  - 8. Location of the incident (public/private).
  - 9. Speculation that the complainant may not follow through with the prosecution.
  - 10. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or marital status of the victim or suspect.
  - 11. The social status, community status, or professional position of the victim or suspect.

#### **309.5.1 IF A SUSPECT IS ARRESTED**

If a suspect is arrested, officers should:

- (a) Advise the victim that there is no guarantee the suspect will remain in custody.
- (b) Provide the victim's contact information to the jail staff to enable notification of the victim upon the suspect's release from jail (Minn. Stat. § 629.72 Subd. 6).
- (c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

#### **309.5.2 IF NO ARREST IS MADE**

If no arrest is made, the officer should:

- (a) Advise the parties of any options, including but not limited to:
  - 1. Voluntary separation of the parties.
  - 2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit).
- (b) Document the resolution in a report.

### **309.6 VICTIM ASSISTANCE**

Because victims may be traumatized or confused, officers should be aware that a victim's behavior and actions may be affected.

- (a) Victims should be provided with the department's domestic abuse information handout, even if the incident may not rise to the level of a crime.
- (b) Victims should be alerted to any available victim advocates, shelters, and community resources.
- (c) When an involved person requests law enforcement assistance while removing essential items of personal property, officers should stand by for a reasonable amount of time.
- (d) If the victim has sustained injury or complains of pain, officers should seek medical assistance as soon as practicable.
- (e) Officers should ask the victim whether he/she has a safe place to stay and assist in arranging transportation to an alternate shelter if the victim expresses a concern for his/her safety or if the officer determines that a need exists.
- (f) Officers should make reasonable efforts to ensure that any children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- (g) If appropriate, officers should seek or assist the victim in obtaining an emergency order.

### **309.7 DISPATCH ASSISTANCE**

All calls of domestic abuse, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.

Dispatchers are not required to verify the validity of a court order before responding to a request for assistance. Officers should request that dispatchers check whether any of the involved persons are subject to the terms of a court order.

### **309.8 FOREIGN COURT ORDERS**

Various types of orders may be issued in domestic abuse cases. Any foreign court order properly issued by a court of another state, Indian tribe or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC

---

§ 2265). An otherwise valid out-of-state court order shall be enforced, regardless of whether the order has been properly registered with this state.

#### **309.8.1 CANADIAN ORDERS FOR PROTECTION**

An order for protection issued by Canada or a Canadian province shall be enforced as if it were the order of a court in this state and afforded the same consideration as foreign court orders with respect to proper issuance and registration (Minn. Stat. § 518F.03).

#### **309.9 VERIFICATION OF COURT ORDERS**

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and, where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
- (b) Check available records or databases that may show the status or conditions of the order.
- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.

#### **309.10 LEGAL MANDATES AND RELEVANT LAWS**

Minnesota law provides for the following:

##### **309.10.1 STANDARDS FOR ARRESTS**

Officers investigating a domestic abuse report should consider the following:

- (a) An officer has the authority to arrest a person without a warrant, including at the person's residence, if the peace officer has probable cause to believe that the person has, within the preceding 72 hours, exclusive of the day probable cause was established, assaulted, threatened with a dangerous weapon, or placed in fear of immediate bodily harm any person covered by the "family or household member" definition, even if the assault did not rise to the level of a felony or did not take place in the presence of the peace officer (Minn. Stat. § 629.34; Minn. Stat. § 629.341).
- (b) Officers should generally not make dual arrests but may make an arrest of a primary aggressor. Where there are allegations that each party assaulted the other, the officer shall determine whether there is sufficient evidence to conclude that one of the parties was the primary aggressor based on the following criteria and the officer's judgment (Minn. Stat. § 629.342, Subd. 2):
  - 1. Comparative extent of any injuries inflicted

- (e) Officers shall arrest and take into custody, without a warrant, a person whom the peace officer has probable cause to believe has violated a court order issued pursuant to Minn. Such an arrest shall be made even if the violation of the order did not take place in the presence of the peace officer, if the officer can verify the existence of the order. If the person is not released on citation in lieu of continuing detention, the person shall be held in custody for these violations for at least 36 hours unless released by a court (Minn. Stat. § 518B.01; Minn. Stat. § 629.75).
