National Night Out - Tuesday, August 2nd, 2022

National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods a safer and more caring place to live. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances.

Millions of neighbors take part in National Night Out across thousands of communities from all fifty states, U.S. territories and military bases worldwide on the first Tuesday in August. Neighborhoods host block parties, cookouts and various other community events with safety demonstrations, visits from emergency personnel, exhibits and much more. If you wish to host a party, please contact Officer Dane McAlpine at dmcalpine@daytonpolice.org or call 763-427-2017 and register your party today!

PD Camera Registry

The Dayton Police Department wants to partner with residents and business owners who have video surveillance on the exterior of their homes or business. You might have a multi-camera system or a simple doorbell camera at your front door, no matter your level of surveillance your participation in this program will help the police department in the event of a crime in your area. Register your cameras today by completing the form on the city website. Go to https://cityofdaytonmn.com/departments/police/crime-prevention/ and click on the Camera Registration Form.
