

City of Dayton Facility Building Closure

In an effort to reduce the spread of the COVID-19, effective March 23, 2020 and continuing through April 5th, 2020, all city facilities will close to the public. This includes City Hall, Public Works and Police Department, Fire Stations 1 and 2, and the Activity Center. Any extension will be communicated.

City staff will continue to work in all facilities in a limited capacity to provide essential city services. You are encouraged to connect with city staff through the city website, by phone and by email. Contact information for each department can be found on the website at www.cityofdaytonmn.com. If you have business that is time-sensitive and must be conducted in person, call (763-427-4589) to make an appointment. City staff will do their best to accommodate your request.

The City of Dayton has been working with local, county, and state partners to help protect the health and wellness of both the community and employees during the rapidly changing coronavirus outbreak. As transmission has changed in Minnesota from travel-related to community spread, the city is making these changes while still ensuring it can provide essential services to residents. Please stay tuned to the city's website for further updates.
