

The Dayton Police Department Camera Registry

Registering your security cameras with the Dayton Police Department allows the department to quickly and efficiently investigate incidents that may have occurred in and around your location. Your support of this program will help the department keep our community safe for all its citizens.

- Registration typically takes under 5 minutes
- The information you provide is accessible only by authorized personnel at the police department
- The information will only be shared with public safety personnel, not third parties
- Helps investigators to request recorded video of criminal incidents, to assist in investigations

Any additional information or comments:

I am interested in registering my external camera system with the Dayton Police Department.

I understand the following:

- 1.Registrant information is gathered for official use by the Dayton Police Department.
- 2.If necessary, the Dayton Police Department will contact you directly, using the information provided on this site, to request the appropriate video surveillance footage.
- 3.Any footage containing or related to criminal activity may be collected by the Dayton Police Department for use as evidence during any stage of a criminal proceeding.
- 6.If you would like to be removed from the camera registry program; you no longer own a video surveillance system; you move; or you would like to make any changes to your registration; contact call 763-427-2017 or email info@daytonpolice.org.

By signing or typing your name, you acknowledge that you have read over the Terms of Use of the Dayton Police Department security camera registration and accept these terms.
