

Well 4 Update 09-29-2021

Well 4 is online adding additional capacity to the City water distribution system.

Irrigation

From 9-29-2021 the emergency irrigation restrictions have been lifted and residents are asked to revert to the odd/even irrigation program that is in place until October 30th. New sod and seeding will be permitted, and will be an exception to the odd/even irrigation program, for 4 weeks to allow turf/seed establishment. For clarification see City Code 52.057 available through the city web site www.cityofdaytonmn.com
